ACCOUNTANT'S REPORT

Won Community Service Center
Glenside, Pennsylvania

We have reviewed the accompanying statements of assets, liabilities and net assets - modified cash basis of Won Community Service Center (a non-profit organization) (the Center) as of December 31, 2008 and 2007 and the related statements of support, revenues and expenses - modified cash basis and cash flows - modified cash basis for the years then ended in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Won Community Service Center.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying statements in order for them to be in conformity with the modified cash basis of accounting, as described in Note 1.

WON COMMUNITY SERVICE CENTER

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2008 AND 2007

The Won Community Service Center is a Pennsylvania not-for-profit organization located in Abington, Pennsylvania, providing social services, educational activities, adult English language instruction for low income minority immigrants and English language instruction for children of low income minority immigrants. Won Community Service Center qualifies as a tax-exempt organization under Section 501(c)3 of the Internal Revenue Code; accordingly, there is no income tax applicable to its activities.

1 Summary of Significant Accounting Policies

The significant accounting policies followed by the Center are described below to enhance the usefulness of the financial statements to the reader.

Modified Cash Basis - The accompanying financial statements have been prepared on the cash basis, modified to report investments at market value and contributed services. Under that basis, the only assets recognized are cash and investments, and no liabilities are recognized. The modified cash basis differs from generally accepted accounting principles primarily because the effects of outstanding pledges receivable and obligations for unpaid invoices at the date of the financial statements are not included in the financial statements.

Cash and Cash Equivalents - For the statement of cash flows, the Center includes cash on deposit, cash on hand, and money market funds to be cash.

Investments - Investments are reported in the financial statements at market value.

Contributions - The Center records contributions of cash and other assets when an unconditional promise to give such assets is received from a donor. Contributions are recorded at the fair market value of the assets received and are classified as either permanently restricted, temporarily restricted or unrestricted, depending on whether the donor has imposed a restriction on the use of such assets. However, support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is received.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2 Concentration of Risk

The Center maintains its cash and cash equivalents in bank deposit accounts, which, at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts. Management believes the Center is not exposed to any significant credit risk related to cash and cash equivalents.
